Can I get back to Ann Campbell and tell her this list is fine? Or you to Bob?

No worries. Heres the thread.

Jim -- I thought we need Sarah Pallone because this is her bailiwick. Also R6 might have some useful perspectives so I included Sam and Rob Lawrence (who I believe has been the key guy). Happy to drop R6 if you'd like, as well as the others. What do you think?

Bob -- do we really need a cast of dozens for this call? That makes it very hard to have a frank conversation.

Kate - Bob sent Jim a note that other day offering an alternative invite list for this discussion. I don't think Jim has responded yet. Can you let me know if Jim is ok with what Bob suggests?

Thanks,
Ann
